

# Quality Certificate

**229019**

## **200µL Low Retention Filter Pipette Tips 96 Tips/Rack, Sterile**

Lot Number: 220719-306D  
Expiration Date: 07/19/2025

This product is assembled in accordance with ISO 9001:2015 and ISO 13485:2016 quality management systems in a class 100,000 clean room.

### **Component Materials**

Virgin Polypropylene: meets USP, Class VI requirements.

### **Sterilization Assurance Level**

SAL 10<sup>-6</sup>

This lot has been gamma irradiated and dosimetrically released. Procedures for determining the dosage comply with ANSI/AAMI/ISO 11137.

### **Cytotoxicity**

All material resins are qualified using USP and/or ISO 10993 standards for cytotoxicity and have been shown to be non toxic.

### **Non-pyrogenic**

Products have been validated to have less than 0.1 EU/mL.

### **RNase/DNase Testing**

This product has been tested and is free of any detectable RNase/DNase contamination.

### **Bovine Spongiform Encephalopathy and Transmissible Spongiform Encephalopathy**

CELLTREAT Scientific Products controls materials used in manufacturing processes such that no known animal derivative components are used in the manufacture of its products. Materials and processing meet EMEA/410/01-Rev3, Guidance on minimizing the risk of transmitting animal spongiform encephalopathy agents via human and veterinary medicinal products.

### **Quality Control Testing**

Representative Samples have been selected and inspected according to ANSI/ASQ Z1.4 Sampling Procedures and Tables for Inspection for Attributes. This lot has passed inspection.

### **Country of Origin** China

This manufacturing lot has met CELLTREAT quality standards and has been accepted by quality assurance.
